

The background features a complex geometric pattern of overlapping shapes in various shades of blue and grey. A prominent feature is a large, light grey gear-like shape on the right side, with a dark blue circle in its center. Diagonal bands of dark blue and grey cross the frame, creating a sense of movement and depth.

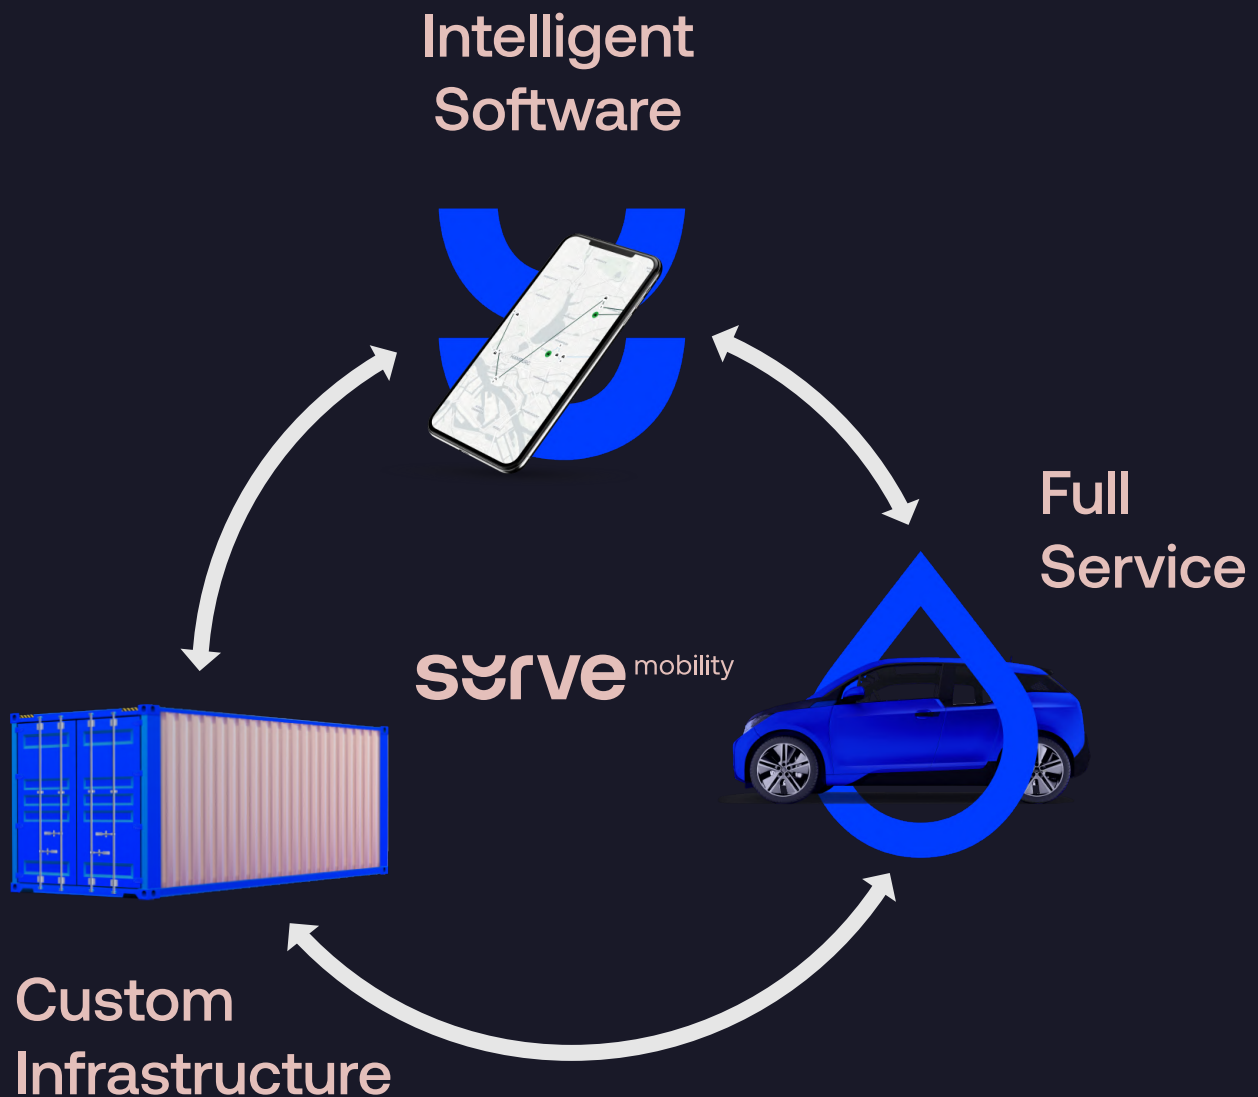

**surve** mobility

We set  
mobility in  
motion.

# How we keep fleets afloat...

Through an integration of full service, intelligent software and smart infrastructure solutions, we provide highly efficient and sustainable shared mobility operations to set shared mobility fleets in motion.

Hit the road with us.
