With **ALEX**, creates training packs to upskill workers

The image displays three overlapping UI cards for creating training packs. Each card features a worker's profile, a title, a training level, a start date, a duration, a tutor, and a 'Train' button.

- Card 1 (Left):** Worker: Pedro Oliveira, Level 2. Title: Train to level 3. Training level: 3. Start: 22.06.20. Tutor: Eric Lueng.
- Card 2 (Middle):** Worker: Mounir Nacih, Level 3. Title: Train to level 4. Training level: 4. Start: 12.06.20. Duration: 2 month. Tutor: John Lang.
- Card 3 (Right):** Worker: [partially obscured], Level 3. Title: [partially obscured]. Training level: 4. Start: [partially obscured]. Duration: 1 month. Tutor: [partially obscured].

A mouse cursor is pointing at the 'Train' button on the middle card.

With **ALEX**, digitalizes proofs of skills from the shop floor & submits them for Quality approval and audit traceability

With **ALEX**, approves training request, schedule sessions and track progress
