

STRONG AS MARBLE

LVMH

FILI PARI

FILI PARI.

The concept starts from a natural element
typical of the Italian territory:

MARBLE

MARBLE.

Marble represents a cultural, economic, and geological heritage, symbol of beauty and timeless excellence.

MARBLE. Textile

In the textile sector is used only as an **aesthetic inspiration**, through prints that reproduce the veins of the stone.

STONE INDUSTRY.

The extraction and working process of marble use the handling of **huge quantities** of material, with a consequent impact on the local and global environment.

Research and innovation, combined with production processes analysis, led to the development of cutting-edge technologies for the enhancement of **marble powders**.

CIRCULAR ECONOMY.

Color**

MARM \ MORE[®].

The term comes from **MARMOR**, Latin translation of marble, to indicate the close link between the material and the Italian territory.

The following **MORE** indicates how marble gives added value to the material. MORE also means a new and different perception of the marble itself.

*From cold, heavy and static,
marble becomes light, soft and comfortable*
