# Urban Air Mobility

Choose Paris Region, Groupe ADP and RATP Group announce the winners of the worldwide call for expressions of interest regarding the setup of an Urban Air Mobility industry branch.  
**Helipass winner 2021 🏆**

Our long-term goal is to make aviation more accessible by preparing for the adoption of aircraft (silent, carbon neutral and profitable eVTOL (Electric Vertical Take Off and Landing) being developed by our partners and manufacturers. HELIPASS is part of integral part of this urban mobility revolution and we invite you to take the lead today.
