

## 6P preventive medicine

### Preventive

Screening and monitoring health at home

### Personalized

Parametric alert thresholds

### Participatory

The veterinarian keeps his hand  
and the owner becomes an actor

### Precision

Medical grade, selected sample, algorithms

### Proven

Collaboration with The French Veterinary  
School of Toulouse and publication (ACVIM)

### Predictive

The Bigdata becomes Smartdata

*Develops innovative solutions for  
health and well-being of animals*
